

# 90 Day "Can't Fail" Plan Rules and Prizes

## Overview

The 90 Day "Can't Fail" Plan is designed to help you start making your first realistic dollars online.

There is no hype, no crap, just what works.

The Challenge side of the plan is a competition. It's a competition to see who can make the most money following the guidelines we set, in just 90 days.

## Rules of the Challenge

\*Throughout the 90 days you can do as many sites as you'd like if you have more time, however, at the end of the 90 days, you may only submit your top 12 sites that you've built to be eligible for the competition

Proof: You may not use "old" domains for submission to the competition. They must be new domains that you are using following the 90 day system.\*

\*You are allowed to use domains you have registered but haven't used before (i.e. parked domains)

Who Wins: There will be 3 winners, 2 Bi-annual winners, basically for each 'challenge' held in 08, the January to June, and July to December, there will be picked one person from each who has made the most money overall, the Champion will be crowned at the end of the year, but will not be based totally on income, we are looking for someone who has obviously made a high amount, but who has also learnt a lot, it will be judged 50/50 50% on income, 50% on your story. This is totally objective and we have the final say.

## How the Challenge is Judged

The judging will take place in two stages.

### Judging Stage 1

50% of the judging will be on straight results. Or more importantly, who has made the most money.

### Judging Stage 2

The other 50% however, will be judged on how it has changed you, and helped you to progress in your online business. You have been given a series of questions to fill out along with this registration pack, that at the end of the 90 days, you'll have to fill out and send back to us.

## Prizes

### Prize Stage 1

There are 2 US\$1000 prizes, 1 from each period, January to June and July to December... basically who makes the most money within the rules of the challenge

### Prize Stage 2

We will also pick an overall Champion.

That overall Champion will have a scholarship to our \$10,000p.a. Mentorship program, where they will work with us for 12 months, and by the end of that 12 months have a single site that produces an income of at least \$10,000p.a.

As well as, they will get a cool \$5,000 in cash. Spend it how you want :)
